☐ STUDYING - Preparing the Heart and Mind for Theological Studies

6. ***The following questions have been designed to assess how much you have understood and retained from your studies.*** \* 0 points

***We understand that not everyone completing the studies will agree with every single point contained therein. However, students are required to answer the questions in accordance with the material presented in the Study Unit. This ensures consistency in assessment and upholds the academic integrity and standard of the course, allowing students to be evaluated based on their comprehension of the prescribed material, rather than personal interpretation or prior knowledge.***

***In each study, your performance will be evaluated by a percentage score based on correct answers.***

***Do you fully understand?***
